

JULIBEA AGENCY LLC
HEALTH INSURANCE SPECIALIST

Dr. Beatriz Trevino Espinoza

BIO

Dr. Trevino Espinoza is committed to career and health education. She spent her first 18 years as a migrant farm worker, started college and successfully earned a Bachelor's degree in psychology from the University of Texas Pan American; she then attended the University of Wisconsin-Madison and earned Master's and doctor's degrees in Rehabilitation Psychology. Professionally she has 35 years of experience as a college researcher, counselor, professor, and administrator, lasting serving as college president and CEO.

Dr. Trevino Espinoza joined Julibea Agency LLC to help people access high quality, affordable health insurance. She is licensed by Texas Department of Insurance and with reputable carriers to sell health insurance for Individual and Family Plans (IFP/ACA) and Medicare Supplemental and Advantage Plans. She is fluent in English and Spanish and is committed to health education and services for minorities.
